<p>Att: Yvette Robinson From: Scott R. Caddell For: Monthly Storage of Kiosks and Misc Crates</p> <p>Yvette; As per our conversation regarding storage of the B&amp;H Kiosks and promotional items; I have space available for them and would like to store them for you. I have enough space right now to accommodate up to 15 of the large Kiosk type cases and also for the small panel types. The fee for storage would be \$350.00 per month. As you know we have our own trucks and movers, so if and when they are to be moved, it's a just a matter of calling us. We would appreciate 48 hours notice (Weekdays) in order to process a delivery. I would also inventory and number the cases so next time you need something from storage, we'll deal with it numerically to avoid complications. We now have 8 large crates and 6 small black cases, so as soon as you decide, we can arrange to pick-up the remaining cases at Stieglerbaur. We hope to do business with you. Thankyou</p> <p><i>Scott R. Caddell</i> Signature</p>
